### OBITUARY.

Frank Loyd Morgan, son of Mr. and Mrs. F. M. Morgan, residing ten miles southwest of Wa-Keeney, passed from this life March 10, 1904. He was born in Union county, Dakota Territory, August 6, 1882, thus spending 21 years, 7 months and 4 days, of his life here.

He was a young man of sterling merit. He was loved and held in high esteem by all who knew him best, as the gathering showed at the home, as many friends and neighbors met to pay their last tribute of respect and love. But his greatest worth was shown in his unselfish love for his parents recognizing their every wish and desire even before it was expressed discerning it with an eye of love.

He has gone; his chair is vacant. He leaves two sisters, four brothers and parents to mourn his loss.

Services were held at the home at 2:15 p. m., March 11th, conducted by Rev. I. H. Clemons, in which several Scripture lessons were read teaching the shortness of time, certainty of death, and that our only hope and comfort is in Christ.

Special thought was given to John, 11th chapter, 24th and 25th verse. Words of our loving Lord.

"I am the resurrection and the life; he that believeth in me though he were dead, yet shall he live, and he that liveth and believeth shall never die."

'Tis not for man to trifle; life is brief, And sin is here. Our age is but the falling leaf, A dropping tear.

We have no time to sport away our hours, All must be earnest in a world like ours.

Not many lives but only one have we; One only one. How sacred should that one life ever be. Day after day filled up with blessed toil, Hour after hour still bringing in new spoil.

Jacob Allman, one of the biggest farmers and stockmen of Riverside township, was in the city over Friday night. He made us an agreeable call Saturday morning.
